

# CRYSTAL FOOD SERVICES

From their beginning in 1978, brothers Jack and Danny Bayt have developed a reputation for innovative food presentation with quality. That inspiration led to more off premise feeding and eventually being acquired by Marsh. CRS became involved with the CAFÉ GROUP division when Indiana Downs racetrack opened two years ago. From that point forward, CAFÉ GROUP has helped CRS implement IBM SurPos terminals and Posiflex terminals in six different locations all running Maitre'D hospitality software.

**"Ultimately, CRS appeared to have the experience, dedication, and integrity Crystal was seeking. On many occasions since then, CRS has demonstrated the value—"**

**"MealZone provides our corporate clients with the ability to order customized food and beverage services via the internet."**

**"We narrowed our selection to three nationally recognized alternatives, namely Aloha, Digital Dining , and Maitre'D"**

**"On many occasions since, CRS has demonstrated the value they are capable of bringing to an organization such as ours"**

**"They have earned our respect, and I would gladly recommend CRS to anyone searching for a responsive POS provider. I thank you and your team for your dedication and support." Kyle Wenger**
