# SL-5300 VISUAL ELITE SCALE SYSTEM

Advanced Technology and Design...Unmatched in Flexibility and User Friendliness

## COLOR TOUCH PANEL

- 10.4 TFT color touch panel operator keyboard totally flexible with multiple pages of speed keys and alphabetical commodity library key

- Color, brightness, key size, text size and arrangement easily programmed to meet operators' needs
- Add a second TFT panel for slide shows and advertising during idle time
- Average portion cost shown when desired on *Family Pack* labels as well as coupon labels and *Loyalty Program* pricing
- Base unit with 2,300 item capability, expandable to 17,300 commodity types
- Clerk totals available when needed for up to 99 employees
- Sale ON, sale OFF pricing control by calendar input
- Security system limits operator and manager capability for making program changes and entries

## FEATURE RICH

- High quality, dependable, direct thermal printing
- Label sizes from 48mm to 80mm in width with total flexibility to adjust print position by free format correction
- Multiple logo and graphic printing capability with linking to multiple commodity items to save space
- Space saving, front-loading label cassette

- Recipe and ingredient library in separate databases allow linking to multiple commodity items conserving memory and programming time and space
- Nutrition templates selectable and conforming to FPLA laws and regulations
- Rotation of print fields 180 degrees with no loss of aspect due to square dot printing technology
- Two available PCMCIA slots for ethernet and wireless ethernet communication
- Master and satellite setup with ethernet capability for ease of price changing and data modification
- Lowest cost of ownership in the industry with the standard TEC warranty and Maintenance Service Agreements

## AND MORE...

- Optional 640 x 480 dot VGA customer display
- Keyboard angle easily adjustable from 25 to 65 degrees
- Multi-interval load cell: 0-15 lb./0.005, 15-30 lb./0.01, 0-6 kg/2g, 6-15 kg/5g
- High speed - Four inches per second, printing up to 80mm label width
- Rugged aluminum die cast cabinet base

- Optional 256 X 64 Dot VFD built-in customer display
